

PRESS RELEASE

Vote for Directa Plus in the European Business Awards and be part of our adventure!

(Lomazzo; Italy) 20 January 2017 – Our company, Directa Plus, has been selected among the 38 National Champions for Italy in the 2016/17 edition of the European Business Awards, and we are very proud of this achievement! We are one of only 350 companies selected out of over 33,000 applicants across Europe.

Now we are in the second stage of the competition, which is based on a public vote. You can watch our video entry explaining Directa Plus' achievements as an environmentally sustainable company, and you can vote for us, [here](#):

<http://www.businessawardseurope.com/vote/detail-new/the-award-for-environmental-corporate-sustainability-1/20204>

Please vote for Directa Plus and share! We have until 1 March for people to vote to enable us to become the National Public Champion for Italy and go on to the final stage of the competition.

Support us and be part of our adventure!

Giulio Cesareo, CEO & Founder of Directa Plus plc, receives the award for being one of National Champions of Italy. Help us get to the next stage by voting for us [here](#)!

About Directa Plus

Directa Plus is one of the largest producers and suppliers of graphene-based products for use in consumer and industrial markets worldwide. By incorporating Directa Plus' unique graphene blends, identified by the G+ brand, its customers can enhance the performance of their end products without significantly increasing their cost. Directa Plus graphene-based products are natural, chemical-free, sustainably produced and tailored to specific customer requirements for commercial applications such as smart textiles, tyres, composite materials and environmental solutions.

Established in 2005, the Company has a patented technology process and a scalable and exportable manufacturing model. It produces graphene-based products at its own factory in Lomazzo, Italy, and can set up additional production at customer locations to reduce transport costs, waste and time-to-utilisation. Directa Plus partners with customers to enable them to offer the high-performance benefits of graphene in their own products.
